

Symposium Programme (1 st Day)			
25 October 2022, Tuesday			
		Title	Chairman
09:30 – 10:30	Dr. B. Önsoy / S. Canbazoğlu	Opening Ceremony / Talks	
10:30 – 11:30	Dr. Serge Gofas	Mollusca from deep-sea chemosynthetic communities of the Eastern Mediterranean	
11:30 – 12:30	Dr. Maxim Vinarski	Fresh water molluscs at the extremes: ice, heat, and darkness	
12:30 – 13:30	<i>Launch</i>		
13:30 – 14:30	Dr. Jose Templado	Current state of knowledge of Mediterranean marine gastropods and the importance of museums and their scientific collections	
14:30 – 15:30	Dr. Eike Neubert	The terrestrial malacofauna of Türkiye	
15:30 – 17:30	<i>Bodrum Maritime Museum Visit</i>		

Symposium Programme (2 nd Day)			
26 October 2022, Wednesday			
		Title	Chairman
09:30 – 10:30	Dr. Manuel Lopes-Lima	Contribution of molecular tools to advance our knowledge of the evolution and biogeography of freshwater mussels (Bivalvia, Unionida) and guide future conservation efforts	
10:30 – 11:00	Kebapçı, Ü.	A preliminary study of the land snail and slug fauna of Ankara city	
11:00 – 11:30	Yıldırım, M. Z. and Örstan, A.	Mollusca species of Lake Golbasi (Adiyaman) and the surroundings	
11:30 – 12:00	Öztürk, B. <i>et al.</i>	Some new records or little known gastropod species from the Turkish coasts	
12:00 – 12:30	Çelik Yılmaz, H. <i>et al.</i>	Records on the Microplastics Presence in Cephalopods	
12:30 – 13:30	<i>Launch</i>		
13:30 – 14:00	Örstan, A. <i>et al.</i>	Types and type localities in zoological taxonomy with examples from land snails of Türkiye	
14:00 – 14:30	Yılmaz, Ö. and Cerim, H.	Notes on the Place of Freshwater Mussels in Ecosystem Services	
14:30 – 15:00	Dökümcü, N. <i>et al.</i>	The Gastropod Fauna of Riva Stream (Istanbul, Türkiye)	
15:00 – 15:30	Nikolaeva, S. <i>et al.</i>	New records of Emsian (Lower Devonian) ammonoids from the Istanbul Zone of Turkey	
15:30 – 16:00	<i>Coffee break</i>		
16:00 – 17:00	Dr. Vladimir Laptikhovsky (Online)	From Paleozoic to bathyal: temporal and spatial aspects of the evolution of cephalopod reproductive strategies.	Dr. Bahadır Önsoy
17:00 – 18:00	Dr. Alexander Arkhipkin (Online)	"Achilles heel" within the life cycle: How the high seas fishery contributes to over-exploitation of abundant pelagic squid resources	Dr. Bahadır Önsoy

Symposium Programme (3 rd Day)			
27 October 2022, Thursday			
		Title	Chairman
09:30 – 10:00	Kebapçı, Ü.	Freshwater bivalve fauna of the Mediterranean Region of Türkiye	
10:00 – 10:30	Cerim, H. and Yılmaz, Ö.	A brief information on the artificial dens for <i>Octopus vulgaris</i> (Cuivier, 1797)	
10:30 – 11:00	Kabak, Ş. and Gümüş, B. A.	Land snails (Gastropoda, Pulmonata, Stylommatophora) of Ankara and its vicinity	
11:00 – 11:30	Bitlis, B. and Öztürk, B.	Soft bottom molluscs (Caudofaveata, Polyplacophora, Gastropoda and Scaphopoda) fauna of the Sea of Marmara	
11:30 – 12:00	Riccardi, N. <i>et al.</i>	Influence of water level fluctuations and thermal regime on FM native populations: the case study of Lake Maggiore	
12:00 – 12:30	Yazar, G. <i>et al.</i>	Effects of dietary Rosmarinus (<i>Rosmarinus attendants</i> , l.) supplementation on the growth, survival and feed conversion ratio in land snail (<i>Helix aspersa maxima</i> , Muller 1774)	
12:30 – 13:30	<i>Launch</i>		
13:30 – 14:00	Türksönmez, Ç. and Dede, N.	Microbial quality and protection in the processing of snails	
14:00 – 14:30	Trajanovski, S. <i>et al.</i>	Further reflections and horizon scanning on the introduced and potentially new invasive snail species in the Lake Ohrid region	
14:30 – 15:00	Ghojoghi, A. <i>et al.</i>	Using compound specific isotope markers to characterize dietary niches of <i>Mytilus</i> sp. along an environmental gradient in the Baltic Sea	
15:00 – 15:15	Atasara, Ş. and Lopes-Lima, M. (Speed talk)	The first record of <i>Unio tumidus</i> from Anatolia, Türkiye	
15:15 – 15:30	Balcioğlu, E. and Demircan, M. D. (Speed talk)	Status of fan mussel (<i>Pinna nobilis</i>) diseases in Turkey	
15:30 – 16:00	<i>Coffee break</i>		
16:00 – 16:15	Yıldan, F. and Doğan, A. (Speed talk)	Contribution to the knowledge of the marine Mytilidae (Mollusca/Bivalvia) fauna of Turkey	
16:15 – 16:30	Ghojoghi, A. <i>et al.</i> (Speed talk)	<i>Toxoplasma gondii</i> Infection in Mollusca Species, as a Potential Source of Food Contamination	
16:30 – 17:30	<i>Closing session</i>		

Symposium Programme (4 th Day)			
28 October 2022, Friday			

10:00 – 17:00	All participants	Bodrum city tour
